Dear Parents,

The 2018 Football Season marks the 69th year of midget football in East Pennsboro. We strive to teach the fundamentals of football, sportsmanship, and character in a healthy and competitive environment. Only with your support and cooperation can we have a truly successful program.

In order to inform the parents/guardians of our program, how it operates (as well as to answer any questions you may have about the program); we have a scheduled a parents meeting, **Wednesday August 15th at 7:00pm.**

This Year we will be playing under the stripper rule, meaning the skill positions will be played using the below weight limits. Players exceeding those weight limits can play but must play on the interior line of offense and defense. Please see your head coach with any questions.

Team Eligibility	Ages as 4/30	Maximum Weight – Stripped
Pee Wee	6-9 years old	105 lbs.
Pony	10-11 years old	130 lbs.
Midget	12-13 years old	160 lbs.

Physical exams will be given by our team physician at the EPYAL field Thursday July 26th. This is a one-time physical provided by EPYAL. There will be a \$10.00 charge for this physical. Those missing this physical night are required to arrange for their own physical. No athlete may practice until they have undergone a complete physical examination – NO EXCEPTIONS. **Anyone who registered online, this is the day they need to turn in their money and forms.**

Practice – The first Practice is Monday, July 30th at 5:00PM at Sheaffer Field. Absence should be reported to the respective head coach. T-shirts, shorts, athletic supporters, socks, and football shoes or sneakers should be worn the first night of practice.

Football Shoes – All Players must provide their own football shoes. Shoes must have screw on or molded cleats. Screw on cleats should be no longer than ½ inch with NO METAL TIPS. They may contain white stripes/ marked insignias. No metal cleats are allowed.

Facilities – Sheaffer Field is used for practices. Equipment is stored in the locker rooms at field. We ask that spectators at practice remain in the spectator areas. DO NOT come onto the practice fields. Players are not allowed to bring candy and soda to practices or into the locker rooms. We ask that you cooperate with us in carrying out the above restrictions.

Thank You!
