Registration Fees: (How Registration Works)

At the time you register your child, you will be required to pay **\$85.00 for each child**. Upon payment of the fee, you will receive 25 raffle tickets for registration of one child or 40 raffle tickets per family. The cost of each ticket is \$1.00. The tickets you sell will offset your initial registration fees. You keep the money for each ticket sold. You turn in only the stubs to EPYAL.

Remember that you sell the tickets; you keep the money and only turn in the ticket stubs.

Fund Raising

The EPYAL fundraiser generates most of the funds needed to run EPYAL. All football players and cheerleaders do two fundraisers during the season. Participation in both fundraisers is mandatory. **You will have the option to buy out this year for the fundraisers. Both the fundraisers this year will be a sub sale and if you want to choose the buyout it will be \$30 for each one.** When registration is due is when you will need to decide whether or not you are participating in the fundraisers or doing the buyouts. Both buyouts will be \$60. (This is per family). We thank you for your support of the East Pennsboro Youth Athletic League. First fund-raiser is Tuesday August 8th.
